

EWC Senior Café Program Registration 2023

Excellent Food - Excellent Cause

The Edmonds Waterfront Community Café model is a partnership between the Potlatch Bistro restaurant and the Edmonds Waterfront Center (EWC). The Community Café model brings *EVERYONE* together in the Edmonds area. Within this model, there is the **Senior Café** for anyone 60 years or older who would benefit from socialization and/or may experience food insecurity. This popular program goes to the heart of our mission. We are committed to promoting social connections and helping seniors get their required daily nutrition. To ensure we can continue the program into the future, we are making the following adjustment to begin January 2023.

Whether you choose to dine-in the Community Café as Community member -OR- as a Senior Café participant, you are helping to create a warm, social environment where everyone connects and supports each other.

The Senior Café is for any senior 60+ who has one or more of the following:

- A desire to enhance social connections
- A lack of consistent access to enough food and experience hunger
- The inability to shop for ingredients, and/or prepare and cook a meal
- Needs access to a nutritious well, proportioned meal
- A fixed income
- Vulnerable to isolation

The more you contribute toward the \$15 cost to prepare the meal, the more you help us to reach out and continue to serve those who may have more needs. Some can pay the full cost whereas others pay less. Pay what you feel is appropriate for your budget. No matter what you pay, you will receive an additional piece of fruit and dessert, and there is no additional cost unless you tip. (This is not provided on the market menu.)

If you do not wish to join the Senior Café, you may dine in and purchase from the restaurant's main menu. This helps to benefit the program most.
