

EWC Senior Café Program Registration 2024

Excellent Food - Excellent Cause

The Edmonds Waterfront Community Café model is a partnership between Shore Pine and the Edmonds Waterfront Center (EWC). The Community Café model brings *EVERYONE* together in the Edmonds area. Within this model, there is the **Senior Café** for anyone 60 years or older who would benefit from socialization and/or may experience food insecurity. This popular program goes to the heart of our mission. We are committed to promoting social connections and helping seniors get their required daily nutrition. Your participation creates a warm, social environment where everyone connects and supports each other.

The Senior Café is for any senior 60+ who has one or more of the following:

- A desire to enhance social connections
- A lack of consistent access to enough food and experience hunger
- The inability to shop for ingredients, and/or prepare and cook a meal
- Needs access to a nutritious well-proportioned meal
- A fixed income
- Vulnerable to isolation

The meal is \$10 per person.

Please consider supporting those who are experiencing food insecurity and pay more than \$10.

*If cost is a barrier, please contact Michelle Reitan, she is happy to discuss accommodation. Check the box beneath the signature on the next page. Note, you will need to provide income verification with either SSI validation -OR- a 2022 or 2023 income tax return showing adjusted gross income.

If you do not wish to join the Senior Café, you may purchase from Shore Pine Coffee located in the lobby.
