Foot Care Nurse Position Description

Our Mission: The Edmonds Waterfront Center bridges generations and cultures to improve lives, strengthen our communities, and empower individuals to achieve their full potential.

Job Summary:

The Foot Care Nurse provides evaluation of existing foot conditions and early detection of potential foot problems which may hamper mobility and quality of life for the community.

Supervisory Responsibilities: None

Patient Duties/Responsibilities:

- Evaluate participant's status & needs by obtaining a health history.
- Perform assessment of the feet and offer a referral to another health care professional if needed.
- Per specialized training, provide routine foot care including inspection and palpation, alleviate dry skin problems, trim toenails and treat cuts, sores, calluses, corns, etc.
- Update patient's clinic medical record.
- Educate the client about how to care for feet.

Additional Responsibilities:

- Stay current on up-to-date foot care procedures
- Follow current infection control guidelines
- Set up work area with quick access to tools and supplies
- Maintain equipment per policy
- At end of day, clean workstation, store all cleaned equipment appropriately

Required Skills/Abilities:

- Experience working as a foot care nurse preferred but not required

Equal Opportunity Employer- The EWC is a community asset where everyone is welcome. We are committed to outreach and inclusion. We continually work to ensure our program offerings, staff, volunteers, and Board makeup, reflect the rich diversity of the region.

Education and Experience:

- Registered Nurse (RN) or Licensed Practical Nurse (LPN) with valid Washington State License
- Pass a background check

Physical Requirements:

- Prolonged periods of sitting
- Must be able to bend, stoop, reach, and lift to 25 pounds

Time Commitment:

The Foot care clinic is open on the first and second Wednesday of each month, and Thursday following the 1st Wednesday.
