At last year's event we welcomed over 650 attendees!

As an event exhibitor, you will be provided with a table to set up a display featuring your business or organization and distribute information about the services or products that you offer (no sales please). Health Screenings and demonstrations may be provided at your table. You may also provide giveaways and raffle items. Tables are 6 feet long by 2.5 feet wide. *Please note that we do not supply tablecloths.*

Exhibitors choosing the **PLATINUM, GOLD or SILVER Exhibitor Level** will receive additional publicity and visibility with our Fair participants. There is one PLATINUM Exhibitor available, and our Healthy Living Fair will be named in honor of that business or organization.

Please review the enclosed information about our **Healthy Living Fair**. To reserve your space, please *complete* the **Exhibitor Application Form** and **return it with your payment no later than April 15th**. ***Space is limited, and is available on a first come, first-served basis.*** We look forward to again hosting 65+ local organizations at our event this year, all of whom will have the opportunity to interact with our members and the general public during the event.

This is an excellent opportunity to share information about your organization with the community - We hope you will join us this year!
